

Online Auction and Fundraising

Here's how you can help:

- Donate interesting items for us to auction through our own auction site;
- If you have your own auction site or eBay store, sign up to be a Community Seller for CFP and donate a portion (or all ☺) of the proceeds of your sale to us;
- Besides helping to stop hunger, your charitable contribution also entitles you to the [eBay Giving Works Fee Credit Policy](#), a tax deduction and your total auction site will receive added exposure as part of the campaign;
- Buy stuff! We bet you'll find lots of great deals on things for you and an even greater feeling of satisfaction knowing that the proceeds go towards stopping hunger in Broward County.

If the online auction scene isn't for you or if you are tired of giving and receiving (maybe even re-gifting) token gifts for birthdays, holidays and other special occasions, consider making and asking for **donations in lieu of gifts**. We'll make it easy for you. Starting this month you'll be able to make a donation in someone's name through our [website](#) and we'll send them a beautiful card recognizing the gift. You can also run your own fundraising drive through [firstgiving.com](#). Firstgiving will help you set up a fundraising page linked to us, give you a cool widget you can post anywhere and help you e-mail your friends, inviting them to donate in lieu of gifts this season.
